

## **North Leeds District Campsite Rules**

### **Times**

Camp site day commences at 4.00 p.m. and ends at 4.00 p.m.

Early arrival or late departure must be agreed in advance and extra charges may be incurred

### **Wike Campsite Rules**

**Daily.** All groups on site are responsible for ensuring toilets and showers are cleaned during the camp and also before leaving site after a day or evening visit/

### **Fires**

- \* When using Camp Fire Circle please maintain a reasonably sized fire and not a huge bonfire.
- \* Please ensure that the orange fire bucket by each field tap is filled with water prior to any fires being lit
- \* On the upper camping area all fires are to be confined to the Fire-shelf unless using an altar fire.
- \* On lower field, please observe existing fire areas.
- \* Respect living trees – neither chop or saw branches.
- \* Please return any unused wood to the woodpile.
- \* **DO NOT** put glass on a fire, it does not burn
- \* If burning your rubbish/waste, please ensure it is fully burnt and the ashes disposed of when they are cold.
- \* Return all oil drums to the store. Please stack them upside down
- \* All ashes to be disposed of in the appropriate area, including those from Camp Fire Circle.

### **General**

#### **NO ROPE SWINGS.**

- \* Tables and benches must not be taken outside the hut. There is a supply for outside use
- \* Motor Vehicles must not be driven onto grassed areas
  
- \* Observe Out of Bounds limits to farmland and woods and Golf Course
- \* To prevent soil erosion please keep to pathways from top to bottom field
- \* Do not throw anything onto Farmland or Golf Course.
- \* Chemical toilets, if used, are to be emptied into cesspit – see Warden
- \* Uniformed organisations in camp are requested to fly Union Flag
  
- \* The Site **must** go quiet by **11pm**

## **On Leaving**

- \* Ensure Toilet facilities are cleaned.
- \* Return all equipment borrowed and advise of any breakages or loss.
- \* Check stream and dismantle and remove any dams that have been built.

**NB. As from 1st Sept 2014 all site users must either burn their waste or take it home for disposal. There is no waste disposal facility available on site.**

## **Additional Charges**

If the Hut has not been cleaned and everything put away properly there will be a cleaning charge made based on time needed to deal with this.

## **Wike Camp Site Risk Assessment Document**

Our Risk Assessment Document for Wike Campsite is reviewed at least annually or when there are changes to hazards or processes., and is available on the website.

## **Disputes**

The Duty Wardens decision is final.

**Wike Steering Group.**
